

Waterways Association of Pittsburgh presents

# Who Works the Rivers<sup>SM</sup>

a free career education event for Grades 11 & up  
on board the Gateway Clipper Fleet

Are the waterways still as important as ever?  
What kinds of jobs are on the waterways?  
Is this someplace that I could work someday?  
How did the people who work here...get here?

[www.WaterwaysAssociationPgh.org](http://www.WaterwaysAssociationPgh.org)

**Who:** Students in Grades 11 and up  
**When:** Monday, July 25, 2011 • 10:00 - 11:45am  
**Where:** Gateway Clipper Fleet, Station Square

• **Boarding begins at 9:30am, program starts at 10:00am** •

**Meet representatives from waterways industries and learn about the wide variety of jobs and careers that make up this significant and long-standing industry, at the heart of the region's livelihood and economy.**

RiverQuest presents an interactive full-group session, adapted from the National Energy Education Development project's *Energy and Our Rivers* curriculum.\* Following the group session, the boat sails as students meet representatives from a full range of river industries - from nonprofit to military, from recreational to industrial - to learn about the many opportunities for jobs and careers in this sector. Hands-on artifacts and activities, along with time to enjoy the ride on the river, help make the "job fair" atmosphere fun and memorable for students.

**To reserve space, contact Captain Ryan Newton:**

[rnewton@gatewayclipper.com](mailto:rnewton@gatewayclipper.com)  
**412-355-7920**

Space on the boat is limited. After the initial presentation has concluded and students move to the second deck, the snack bar will be open. Soft drinks and snacks will be available for purchase.
